

Explanatory notes

The following symbols have been used in tables throughout the *Report*:

Two dots (..) indicate that data are not available or are not separately reported.

A dash (—) indicates that the item is nil or negligible.

A hyphen (-) indicates that the item is not applicable.

A minus sign (-) indicates a deficit or decrease, except as indicated.

A full stop (.) is used to indicate decimals.

A slash (/) between years indicates a statistical year, for example, 1990/91.

Use of a hyphen (-) between years, for example, 1990-1991, signifies the full period involved, including the beginning and end years.

Annual rates of growth or change, unless otherwise stated, refer to annual compound rates.

Details and percentages in tables do not necessarily add to totals, because of rounding.
